

Why Automatic Payment?

- 1. It's easier.** You will no longer have to remember envelopes, write checks or look for change – the payment is automatically processed in the amount and timing (weekly, bi-weekly, monthly) that you designate.
- 2. Security and Safety.** The amount of cash on hand at St. Mary is reduced which in turn reduces the threat of theft or loss.
- 3. Reduced administration costs.** Processing and tracking donations is more streamlined for St. Mary. This in turn frees up time and money to be spent on more worthwhile initiatives.
- 4. Collect loyalty program points.** Many credit cards offer points for payments made – enjoy the benefit of collecting those points from your parish contributions.

Mark 12:41-44

(Jesus) sat down opposite the treasury and observed how the crowd put money in to the treasury. Many rich people put in large sums. A poor widow also came and put in two small coins worth a few cents. Calling his disciples to himself, he said to them, "Amen, I say to you, this poor widow put in more than all the other contributors to the treasury. For they have all contributed from their surplus wealth, but she, from her poverty, has contributed all she had, her whole livelihood."
