

Dear Friends,

Happy Epiphany! We welcome the Magi, who represent the entire world! Jesus was born not for a privileged few, but for each and every person. Jesus comes to bring us peace and life, to share in the promise of God's care for the world. May the spirit of the Magi guide our own lives as we grow in generosity and service to those in need around us. May our lives always witness the presence of Christ among us, and may we always walk in the Light of the Star, guiding us to Eternal Life.

Blessings and joy to each of you!

*Father Fred*
