

*Dear Friends,*

*It is hard enough to believe it is November already, much less Veterans' Day weekend. Before you know it, we will be celebrating Thanksgiving and then... Yikes! But today it is important that we focus on our Veterans, those men and women who have served – and are serving – in military service throughout the world. We pray that they may be kept from harm as they serve and protect our rights and freedoms. We pray, too, that they may return home safely, knowing our love and appreciation for their great sacrifices. So to one and all, Happy Veterans' Day!*

*We are still awaiting word regarding the City of Walnut Creek permit, and the next steps in the construction of our Adoration Chapel. Please continue to pray that things will move, and move swiftly, in order to build this chapel and provide a special place for prayer and adoration.*

*May the goodness of the Lord fill us with peace and joy. May we always reach out to those in need, sharing our gifts (even the little we might have) so that God will multiply our gifts abundantly.*

*Have a great week.*

*Father Fred*
