

Dear Friends,

Great News: I told you some months ago that we were going to have the stained glass windows in the church restored / repaired, thanks to a very generous parishioner. Well, we finally have the beginning date. Starting early Monday, April 16, the *Willet Hauser Architectural Glass and Associated Crafts Studio* people will be here to begin the project. I don't know any details at this point, nor the length of time it will take. I will keep you informed as I find out. But this is great news for us.

Speaking of which, the Adoration Chapel is moving ahead with all the speed we can get with the various channels and departments which must be contacted. We won't have to represent to the City Design Board, and we are in contact with the City Staff, with the Fire Marshall, with the Civil Engineer, and with the Electrical Engineer. Please keep praying that all goes well and that additional expenses are not found or required of us.

**Have a wonderful Spring week! Celebrate Life!
Celebrate the Resurrection!**

Father Fred
